Informing Ourselves		
Meditation		Bishop Tripp put a thought forward about the country becoming poorer and its consequences. Are we going to become more selfish or more generous?
Discussion		We started the meeting with a discussion on Afghanistan and will continue having discussions on suffering countries. In the next meeting we plan to have a discussion on Israel.
Ethical Activities		An e-mail was sent to Brenda Gunn and the ethical activities for the next quarter will be published. July – Pray for good Harvest throughout the world August – Use ecological chemical that won't pollute the water table. September – Use a pressure cook and save energy Please see the attached list for all that can be recycled on the recycling site in Morden.
Barn Dance event		Christine offered to prepare deserts and Julie will be able to attend it. We will try to talk to Mary Farrell and start organising the Barn Dance. There will be no entrance charge and we will ask parishioners to bring a finger food dish. We aim at using only plates, cups and cutlery which are not disposable. Beryl may be able to provide the crockery.
Morning coffee event		This will be on the 17 th June at Kirsty's. We would like volunteers to bake cakes. Sandra will bring 2 cakes and Cathy will bake some scones. Christine may be able to help us with leaflets about our charity of the year.
Charity of the year		This is Christian Concern for our Nation. During the morning coffee and other events we organise, we try to raise awareness and some funds to help this charity.
Any other business		- The Pope visit will be from the 16 th to 19 th September 2010. - We would like to find out if there is any other day of the week when our members could attend the meeting as Tuesday has been a problem for some members.
