Minutes of meeting: Tuesday 12th February 2019 at 8.00 pm

Apologies: Julie
Minutes: Teresa
Meditation: Beryl

Beryl brought an article from The Tablet on the Pope's meeting with Bishops from around the world on the 21st. February to discuss and plan how to effectively deal with child abuse in the Catholic Church. There was a lively discussion and all agreed the need for others rather than bishops alone need to be part of this work. Zero tolerance and repentance were headed up and the need for bishops to be held to account.

Fair Trade : check if a new notice is needed in the kitchen and one for the notice board.

All agreed with Julie's suggestions for ethical issues.

Salvation Army : the building in Kingston Road where Faith in Action is situated is to be redeveloped with flats above. The idea seems to be that it will be self supporting. It is due to start in 2020 until 2021. A new location for Faith in Action and other works will be needed.

Treasurer: at present there is £107. 45 in the bag.

Other business: the Sacred Heart parish is adopting a Syrian family. Several volunteers are needed for two years and the parish must have £9000 to start with. The process has started.

Reminder about the talk at Donhead Wednesday 27th February at 7.30 - 9pm.
